Representative Thomas Pelly (R. -Wash.), concerning a constituent letter
asking for Congressman Pelly to investigate whether a relationship exists

felt that our suggested draft reply for the Congressman's signature would
fully satisfy their needs and she understands that if the Congressman himself
is personally interested, we would be happy to meet with him at his con-
venience. Miss McKeough felt that the Congressman would not be personally
interested.

25X1 8. [] Picked up from Representative Glenard Lipscomb
(R. -Calif.) a copy of a letter he had introduced into the RECORD reporting
that military vehicles, jeeps, armored cars, etc., labeled for "HAIPHONG

Rumania. Mr. Lipscomb would like any information we might have pertaining
